WHY HIGH SCHOOL ACTIVITIES?

THE BEST BARGAIN IN EDUCATION IS SCHOOL ACTIVITIES.

High school activities programs will attract more than ten million participants this year. Nearly 50% of the student body of most schools will be involved in some phase of the interscholastic activities program. In virtually all of these schools, the interscholastic activities program will require school board subsidy of less than 1% of the total school budget. One half the students will be benefitted at one percent of the school budget.

The American College Testing Service recently completed a study which compared the value of four factors in predicting student success. The factors were: (1) High grades in high school, (2) High grades in college, (3) High grades on the ACT, (4) Achievement in extracurricular activities. Three of the four factors were found to have no predictive value. The only factor which could be used to predict success in later life was achievement in extracurricular activities.

Educational investigators have conducted studies which demonstrated that students involved in interscholastic programs: (1) Find increased educational opportunities available to them as a result of their participation, (2) Have higher grade point averages than those who do not participate in activities, (3) Have better attendance records, and, (4) Fewer discipline problems than non-participants.

Athletics and other extracurricular activities are a real-life competency test. Students learn to react in artificial stress situations to better handle real-life situations as adults. Except for activities, school programs that prepare students in this area are usually minimal or missing entirely.

There is no other comparable bargain found in or out of education, even at twice the cost.

The Arkansas high school football play-offs are the climax of one phase of the high school activities program in Arkansas. We welcome you and hope you enjoy the games. We encourage you to support your team, but reinforce the educational aspect of activities by being considerate of the other schools' fans and adhering to conduct consistent with good sportsmanship.

OUR BIG 'N BEEFY BACON
DOUBLE CHEESEBURGER.

AREN'T YOU HUNGRY?

Three pieces of bacon, lean and crispy. Two beef patties, flame-broiled and juicy. And you get a double portion of creamy, melted cheese. Now, aren't you feeling twice as hungry?
